Park Facilities

We are enclosing a list for your information about the various facilities on the Park and will update it on a regular basis. While the "law" may have now changed we ask that everyone continues to show courtesy and respect to others for all of our safety and peace of mind.

Your pitch.

We are lucky to have large pitches with at least 6 metres separation between units. We do ask that you respect the space between neighbouring caravans and do not walk across other people's pitches.

Water and Grey Water Disposal Points, Chemical Disposal points, Barriers and Rubbish areas.

We continue to provided soap for hand washing or sanitiser dispensers at all the above points for your safety if you do not already have your own. We ask you to use them frequently to protect everyone.

Reception & Shop

We will have normal opening hours in the reception and shop. We are currently maintaining the screens and separation measures to reduce any inadvertent transmissions. Face coverings are advisable please. We ask everyone to pay for your booking electronically by card prior to arrival at the park, and to provide contact details for everyone in your booking.

Toilet Block

All toilet block facilities are now open. Cleaning times are displayed in each block and we continue to maintain a high standard of cleaning for your safety.

Park walks and open areas, Dog Walking field

Please enjoy the walks around the park and out in the Wareham Forest (maps attached). We do ask that dogs are kept on short leads while on the park, and only let off in the dog walking field or after you have exited the park into the Wareham Forest.

Pool and Play area

The play area is open and the pool will be opening at the end of May as usual for the summer. Many guest commented on the success of restricting numbers in the pool during busy times, and some restrictions may continue to maintain a safe environment for all to enjoy.

Barbeques

Please see information overleaf.

Wifi Codes

Extra complimentary codes are available from Reception.

Thank you for your support from all the team
